PROMOTION NOTICE

We are pleased to announce the promotion of
Ryan Perry
to the position of
Navitas Deka Ready Power Business Development Manager.

Ryan will report solid line to John Sapp, Navitas President, and dotted line to Dave Corey, East Penn's Motive Power Division Group Sales Vice President

In his new position Ryan will be responsible for managing the Navitas Deka Ready Power Business Development Department. This includes the Navitas Inside Sales Team, Demo Team and Product Management.

Ryan joined Navitas in March 2021 in the Product Support Department as the National Account Product Manager for Amazon.

He came to Navitas with 14 years of industry experience including working for Bell Forklift, Alpine Power Systems and Altec Industries in areas such as Sales, Customer Service, Project Management and Account Management.

Please join us in congratulating Ryan on his new position.

John Sapp - Navitas President
Dave Corey - East Penn Motive Power Sales Vice President
