PROMOTION NOTICE

I am pleased to announce the promotion of
Jordan Ernst
to the position of **Engineering Associate**.
in the **Cell and Development engineering group**.

Jordan joined NAVITAS in
Nov 2019 in R&D Department as Lab Tech.

He held position as Engineering Test Technician and Battery cell development lead in
Navitas Systems.

In his new position Jordan
will be responsible for accomplishing the tasks needed to evaluate Li-ion battery
materials.

Please join me in congratulating Jordan
on his new position.

A handwritten signature in blue ink that reads 'Chad Allison'.

Chad Allison
Director of Cell Product Development
